OUR WINE

The Tokar Estate vineyard was planted in the late 1990s, in the heart of the Yarra Valley's 'golden mile', on Maddens Lane, Coldstream. This sought after area has produced many of the great wines the region is renowned for.

Our family laboured to transform land that was covered in thistles, tussock grass and snakes into a high quality vineyard. Leon and Rita Tokar learnt from the established vignerons who were their neighbours, but they soon developed a reputation as trailblazers in the Yarra Valley. In addition to planting traditional varieties (Pinot Noir, Cabernet Sauvignon, Shiraz, Chardonnay) they were the first in the valley to plant the Spanish varietal Tempranillo.

Our vineyard lies on the gentle north-facing slope that runs from the Maroondah Highway to the foot of the Coldstream Hills, surrounded by acclaimed producers like Yarra Yering and Coldstream Hills winery. This subregion is known to be particularly suited to red varieties. We have 30 acres under vine, including Pinot Noir (12.6 acres), Cabernet Sauvignon (5.94 acres), Tempranillo (4.4 acres), Shiraz (4 acres), and Chardonnay (2 acres).

Tokar Estate wines are well structured but retain the elegance the Yarra Valley is renowned for. All our wines are single vineyard and estate grown. They are nurtured from vineyard to bottle by winemaker Martin Siebert and the Tokar family.
